Health and Safety General Policy Statement

FCE (Wales) Ltd fully accepts its obligations to operate in accordance with the requirements of all current and codes of practice relating to Health and Safety.

Compliance with legislation is regarded as the minimum requirement.

FCE (Wales) Ltd Health and Safety policy confirms its commitment to the prevention of injury and ill health and strives towards improving Health & safety management and performance, achieving the highest practicable standards of Health and Safety on all projects which it is associated with.

FCE (Wales) Ltd Health and Safety policy relies on the cooperation and competency from all its employees and sub-contractors.

The policy is communicated to all employees working under the control of FCE (Wales) Ltd and particular attention made to each individual regarding occupational Health and Safety obligations, each employee is reminded they have a moral obligation and legal duty not to endanger himself or others by his acts or omissions whilst at work, or in the provision of any work equipment which may be accessible to others.

The requirements of the Health and Safety policy are communicated to all employees or sub-contractors under FCE (Wales) Ltd control and their involvement in the management of Health and Safety is promoted through regular consultation.

The Company has an excellent record for Health and Safety at its places of work and recognises this is only achieved through active participation of the Management and employees and those who under take work for the company. This is achieved through good communication and a good understanding what is expected.

Responsibility for Health and Safety lies with Mark Dixon (NEBOSH General and Construction accreditation) and Chloe Davies (NEBOSH Construction accreditation) who are dedicated to Health and Safety matters within the company.

Mark Dixon and Chloe Davies both advice on Health and Safety matters to the management to ensure that FCE (Wales) Ltd meets its duty and requirements, he will also provide advice to all employees and contractors who are working under FCE (Wales) Ltd remit with one to one advice on a daily basis.

FCE (Wales) Ltd Health and Safety policy is documented implemented and maintained, the occupational Health & Safety objectives are reviewed annually to ensure that it remains relevant and effective.
